Guidelines for dealing with an incident / accident

- •Stay calm but act swiftly and observe the situation. Is there danger of further injuries?
- •Listen to what the injured person is saying.
- •Alert a first aider who should take appropriate action for minor injuries.
- •In the event of an injury requiring specialist treatment, call the emergency services.
- •Deal with the rest of the group and ensure that they are adequately supervised.
- •Do not move someone with major injuries. Wait for the emergency services.
- •Contact the injured person's parent/carer.
- •Complete an incident/accident report form.
